

The Gossner Mission

Johannes E. Gossner

Founded in 1837 the christian **Gossner Mission** cares about the poorest and most vulnerable members of society in several countries.

In 1969, Gossner Mission was invited to Zambia by the first President of the young Republic of Zambia, **Dr. Kenneth Kaunda**, to assist the people in the Gwembe valley after they had been displaced during the construction of the Kariba dam.

Our commitment is determined by the vision of a fair one world and we are continuing the engagement in Zambia together with strong partners such as the United Church of Zambia (UCZ) and the Kaluli Development Foundation (KDF) in the Gwembe Valley.
